Peace of Mind Documented, Inc. is a service business to provide a means of maintaining household and personal business in the absence of the household financial manager. Through on site interviews and data gathering, a binder containing comprehensive household and personal information is created. A video is recorded on site to show the household and its contents to tell the family story. A copy of the paper documents and a VHS tapes is then given to the client. An additional copy of the material is given for the person designated to "take over" when necessary or for the family attorney. An annual reminder to update the
